

## INDIVIDUAL REGISTRATIONS

**As many of you know, PlayLA is the biggest fundraiser of the year that benefits The Empowerment Effect. This year, we are featuring a 2-part registration process to facilitate reaching our goal.**

- Click **REGISTER NOW** in the email you received or visit <https://theempowermenteffect.org/playla>.
- Select the division your team is in and click **Register**.
- Fill out the required information to create a League Apps account or sign in with your existing account.
- Select **Team Player**.
- Select your team name from the drop-down, select your t-shirt size, skill level, then click **Next**.
- Accept the waivers.
- **Once you've accepted the waivers, EXIT your League Apps registration. Do not go on to the payment page. You won't get a confirmation at this point, but we have received your team registration and will respond with further directions within 24 hours.**
- This is where it's going to be different this year...We will then create and email your captain the link to your team fundraising page through **Give Butter**.
- Navigate to the fundraising link your team captain provides you (if you're not sure, you can also reach out to us directly)
- Click Join A Team.
- Select your Team name from the dropdown so your donations go toward your team goal, set your own personal fundraising goal, click Continue.
- Share your personal fundraising link with friends, family, colleagues, etc., which will count toward your team goal.

*You and your team have until the week of the tournament to hit your fundraising goal. Any teams that don't hit their minimum of \$2,700 will be invoiced for the difference.*
