6. Enter your team name
7. Enter the number of players that will split the team fee. Unless you plan to carry fewer players, enter 14 so that the team fee is split evenly at the individual rate of \$175 Early Bird/\$185 standard registration fee (after June 16th). If you cannot field 14 skaters, we will do our best to assign free agents so your team hits the 14 skater minimum, but it is the team captain's responsibility to make sure all spots are paid in full. Teams that are short will be billed for the difference.
8. Select your t-shirt size and skill level, click Next
9. Accept the waivers
10. Make your payment to confirm your team registration
11. Ask your teammates to register

If you are a team captain that plans to pay the whole team fee on behalf of your team, please reach out to use directly so we can accommodate. All team captains that have their players registered and the team fee paid in full by August 16th will receive a \$25 refund when they check in at the tournament.
